SLAVERY AND HUMAN TRAFFICKING DUE DILIGENCE PROCESS

Stone Recruitment Group Limited (STONE) ensure strict compliance checks are carried for all candidates it supplies. We verify the identity of each worker and their right to work before supply commences.

As part of our commitment to identify and eradicate slavery and human trafficking, we have in place a process to undertake due diligence on our supply chain network to ensure compliance with legislative obligations; such compliance forms part of our contractual relationship with suppliers.

All STONE employees have access to dedicated channels through which they may voice concerns, either through local reporting mechanisms or through the global whistleblowing procedure.

STONE is committed to protecting employees when disclosing malpractice and will ensure that all disclosures made in good faith will be treated confidentially and without fear of retaliation.
